Mr. Bernie Caliendo,  
B. Sure Home Inspection Company,  
149 Tobey Avenue  
Windsor, CT 06095

Dear Mr. Caliendo:

The Board of Home Inspector's reviewed your communication at its February 11, 2004 Board Meeting in which you requested an extension of reciprocity to include Board Approved continuing education credits for licensure renewal in either state, be recognized by both state's boards.

A motion was made and seconded and it was so

Voted: To recognize the Board approved  
continuing education credits in  
either state.

We understand that the required Connecticut Law would not be part of the agreement as each state's mandated course would only be approved by the Boards in each respective state and someone from Connecticut could provide the CT Law course in Massachusetts and someone from Massachusetts could provide the law course in Connecticut.

I look forward to working with you in this endeavor. If you should have any questions please do not hesitate to contact me at (617) 727-4459.

Sincerely,

  
Ms. Zane B. Skerry,  
Executive Director
